PLANTING LIFE!

Sharing the struggle and
celebrating the success
of church planting

"There seems to be a growing energy around the agenda of church planting and fresh expressions. Mission 21 will be an opportunity to draw a clearer picture of where that energy is taking us." *Bishop Graham Cray*

PROGRAMME TO INCLUDE:

- Workshops facilitated by experienced practitioners streamed to help you deal with your individual situation.
- Plenary sessions designed to inspire and challenge you.
- Opportunities for you to make new connections with others with similar areas of ministry and experience.

DISCOVER What is going on in church planting in the UK? **Mission21** is your chance to hear about this first-hand from internationally-recognised speakers as well as from people who have been busy doing it on the ground.

DISCUSS How can you overcome your latest challenge and maximise the impact of your church plant? **Mission21** will provide both structured and informal chances to share ideas and advice.

DISCERN Staying in step with the Spirit is vital if we are to change our nation. Join in as we listen, pray, and seek to discern what God is doing today.
