A gathering for church planters and planners  
Bath, 17-19 November 2009

## IT'S TIME!

Three years ago more than 500 people gathered in Sheffield for **Mission21** to listen, celebrate and explore what God was doing through church planting and fresh expressions of church. A lot has happened since then, such as:

- Nearly every denomination now has a church planting policy.
- There are more than 700 projects registered on the Fresh Expressions website.

It's time to meet together again to share real stories, fresh ideas, and great resources at **Mission21** on 17-19 Nov in Bath.

### DISCOVER What is going on in church planting in the UK?

**Mission21** is your chance to hear about this first-hand from both internationally-recognised speakers and the people who have been busy doing it on the ground.

### DISCUSS How do you overcome your latest challenge? What will help maximise the impact of your church plant?

**Mission21** will provide both structured and informal opportunities to share ideas and advice.

### DISCERN Staying in step with the Spirit is vital if we are to change our nation. Join **Mission21** as we listen, pray, and seek to discern what God is doing among us today.

"There seems to be a growing energy around the agenda of church planting and fresh expressions. Mission 21 will be an opportunity to draw a clearer picture of where that energy is taking us."

Bishop Graham Cray
